

## Highlight May 2024

### 1. NTI Establishes New Branches in remote villages:

New Branch No: 25 at Arali South:

NTI believes as it enters a village to help making development sustainable, it trains and equips the insiders to continue the task. The local leaders also enabled us to continue the mission and vision of NTI. The visiting team headed by Gobinath and assisted by the local leaders Jeni and Dilani, visited and interviewed students who needed career guidance support. They guided 20 youths and got them to fill NTI applications.

**New Branch No; 26 at Arali West.**

NTI team interviewed the youth and suggested ideas that they could take up towards their academic and vocational career path. NTI will continue to monitor them and provide ongoing feedback based on the action. The group leaders will serve as their coordinators.

**New Branch No;27 at Arali East.**

Ms.Kamalavathy a nursery teacher arrnaged 25 members . They filled the NTI application forms and faced an interview. Many of them have not completed or failed in their O/L examination. They are suggested to follow NVQ Level 3 cources, ie. preschool, Beauty culture ,ICT .

2. **NTI will continue its roll in transforming new villages;** NTI has been promoting self employment. It is indeed transforming the villages towards self reliance and income generation . Hence NTI services will focus primarily on villages to be able to achieve the desired sustainable development. We need to learn from the butterfly that will never be the same but renews
